Professional Summary

Quality Assurance Engineer with 9+ years of experience in ETL, API, and automation testing. Skilled in SQL, data reconciliation automation, and framework design. Achieved 80% reduction in manual testing and 40% improvement in data accuracy at TransUnion. Open to relocation.

Work Experience

Transunion October 2019 - September 2025
Software Development Engineer in Test Chennai, India

- Led end-to-end ETL and API testing for large-scale data warehouse and financial applications, improving processing efficiency by 25%.
- Designed and implemented automation frameworks using Jenkins, Unix Shell, and SQL, reducing manual testing by 80% across multiple projects.
- Automated data reconciliation workflows with Ab Initio TDM, improving test data availability by 40% and accelerating UAT cycles.
- Developed and executed functional, regression, and backend testing strategies aligned to Agile processes, ensuring 99% defect-free releases.
- Coordinated UAT and performance testing, cutting post-deployment defects by 30% and boosting release reliability.
- Mentored junior engineers and led QA process improvements, promoting standardization in automation and defect management through Jira.

Cognizant September 2015 – October 2019
Associate (ETL Developer & Tester) Chennai, India

- Delivered high-quality ETL development and testing using Ab Initio, improving data accuracy by 40% across multiple enterprise systems.
- Supported large-scale data migration to AWS Redshift, maintaining 99% data integrity and ensuring smooth system transition.
- Led a COBOL-to-Ab Initio modernization project involving 3,000+ jobs, completing delivery 10% ahead of schedule.
- Streamlined monthly release processes, reducing cycle time by 20% through improved testing coordination and automation planning.

Skills

Technical Skills

ETL Testing, Data Reconciliation Automation, SQL & Database Testing, API Testing (SoapUI, Postman), Automation Framework Design, Jenkins, Unix Shell Scripting, Selenium, Cypress, Playwright, Functional & Regression Testing, Jira, Quality Center (QC), ITIL, Agile Methodologies

Soft skills

Analytical Thinking, Problem Solving, Cross-Functional Collaboration, QA Leadership, Test Planning & Estimation, Communication & Stakeholder Management

Education	
PSNA College of Engineering and Technology (PSNA CET)	Aug 2011 - April 2015
Electrical and Electronics Engineering (EEE)	Bachelor of Engineering
7.25 CGPA	
Dublin City University (DCU) – Dublin, Ireland	Sep 2025 – Aug 2026
Electronic and Computer Engineering (Internet of Things)	Master of Engineering
N/A (Ongoing)	
Certifications	
ISTQB® Foundation Level	29 December 2024
ISTQB® - International Software Testing Qualifications Board	
Credential ID CTFL-141388 India	
AWS Certified Cloud Practitioner	01 December 2024 - 01 December 2027
Amazon Web Services Training and Certification	
Credential ID e31f3c69191f41208c82f8994e43667c	
Awards	
Quarterly Performance Award - Q3 2024	October 2024
